GRANGE - OVER - SANDS, CUMBRIA

***Welcome to the Grange Hotel, a quality  
four-star luxury hotel in the beautiful  
English Lake District.***

If you are looking for a luxury hotel in the Lake District look no further than the Grange Hotel. Situated on the southern fringe of the timelessly beautiful English Lakes, the Grange Hotel was built in 1866 in an elegant Italianate style.

Considered to be one of the premier Lake District hotels due to its impressive location, warm hospitality, excellent service, stylish grandeur and first-class cuisine, the Grange Hotel stands looking over the charming, unspoiled little town of Grange-over-Sands with its beautiful gardens, interesting shops and unique mile-long Victorian promenade.

Nestling in a sheltered coastal curve of Morecambe Bay the Grange is only 5 miles from Lake Windermere and all the attractions of the Lake District National Park.

Each of our rooms is of a very high standard and individually styled. However, if you are looking for that added bit of luxury, why not upgrade to one of our front-facing bedrooms with views over the Bay and town, or one of our Executive Rooms with views over the woodland. Our Boutique Suites offer the ultimate in luxury with fabulous four-poster beds, decadent chaise longues, elegant roll-top baths in the room as well as separate en-suite shower rooms.

Our Chefs use only the best of locally-sourced produce to create our fabulous menus with something for everyone, whether it be Afternoon Tea or a lighter bite from our Lounge Menu. For the very best in dining experiences we recommend our 5-course Table d'Hote Dinner Menu served in the elegant, candle-lit surroundings of Carriages Restaurant. Our Wine List has been carefully selected to complement our cuisine and appeal to every palate.

The Grange Hotel is ideally located for exploring the central and south Lakes. As well as a wealth of diverse activities that will appeal to all ages, there are also so many delightful places to visit when you come to the Lake District, you'll find that your short break just flies past!
